

FASTTRACK OFF AIRPORT PARKING

To All Teachers, Principals, Staff, Students, and Parents!

As you are aware, the downturn in the economy has seriously affected our ability to provide the financial resources necessary to support our schools. We have been coordinating our efforts with some of the area companies in raising funds to circumvent the current shortfall. **FASTTRACK** has been generous enough to offer their help in this endeavor.

FASTTRACK provides secure, garage style parking and shuttle service to and from the DFW Airport. Every time you park at the **FASTTRACK** Lot, Garland ISD will receive a 10% donation which can quickly add up to thousands of dollars a year. **FASTTRACK** has provided Garland ISD with a unique coupon which can be presented on check-out to receive a 10% discount and for our ISD to receive a 10% donation. Everyone can help and especially those parents who travel on business and are reimbursed by their companies for their travel expenses. Park at **FASTTRACK** and help us raise the money our schools need.

You can print the coupon below or obtain one from our website or by email:

Best Education Foundation
